OPEN SOPHOMORE OPPORTUNITY SUMMIT

January 14<sup>th</sup> & 15<sup>th</sup>

**BNP PARIBAS**

The bank for a changing world

# EXPAND YOUR POTENTIAL

The BNP Paribas Open Sophomore Opportunity Summit offers two days of interactive, virtual programming designed to immerse students in the culture and core Banking and Markets businesses as well as the Corporate Functions within BNP Paribas.

The Summit will create dynamic conversations exploring the importance of Inclusion and the ways in which it is an essential part of the cultural fabric of BNP Paribas.

## What can students expect?

The Summit will help you to find success in exploring career opportunities through:

- **Fireside chats and panels** hosted by current Analysts and former Interns, senior leaders and the BNP Paribas Employee Resource Groups
- **Open conversations and small group sessions** hosted by business leaders and team members who will share their professional experiences and how they support BNP Paribas' mission and values
- **Skills-building activities** to polish your resume and expand your professional knowledge and skillsets
- **Dedicated recruiting office hours** with our Campus Recruiting team and hiring managers accessible for your questions
- **Networking**

The **BNP Paribas Open Sophomore Opportunity Summit** welcomes current undergraduate, sophomore-level students with a *Winter 2027-Spring 2028* graduation date to apply. All majors and academic backgrounds are encouraged to apply.

Prior experience within financial institutions is not required!

Explore and pursue our career opportunities across **Global Banking, Global Markets, Function – Business Management, Technology, Operations, and Change & Solutions** through BNP's annual Opportunity Summit.
