## BIOGRAPHY

### Laurent Jacquemin

CEO BNP Paribas Asset Management USA, Head of North America, BNP Paribas Asset Management Alts

Laurent is CEO of BNP Paribas Asset Management USA and Head of North America for BNP Paribas Asset Management Alts. Based in New York, he oversees the firm's activities across the region, including investment management, asset management, and capital raising. He brings extensive international leadership experience across private markets, real assets, and investment management.

Prior to his current role, Laurent spent seven years in Asia-Pacific as Head of APAC for AXA IM Alts, based in Tokyo. In June 2022, he was also appointed President and CEO of AXA Investment Managers Japan, leading the firm's growth, strategic development, and client engagement across the region while holding both positions concurrently.

Laurent joined AXA Investment Managers in 2001 and has held a number of senior global and regional leadership roles, including UK Head of Corporate Finance, Global Head of Corporate Finance, and European Head of Transactions. Throughout his career, he has led large-scale transactions, business expansion initiatives, and strategic partnerships across Europe, Asia, and North America.

He began his career with Ernst & Young in Paris and Brussels.

With more than 25 years of experience in asset management, Laurent combines deep investment expertise, transaction experience, and a global perspective to drive growth and innovation across the business. He holds a Master's degree from EDHEC Business School in France.
